Chairman's Chat

By Andy Moss

Welcome to the April Backfire - once again I am happy to say it is packed with news about forthcoming events, so make sure you take the time to have a glance through and find out what is planned over the next few months.

The sprint season has already got underway with a busy weekend of two local events on consecutive days. Pegasus members were out at both the BMC Castle Combe and Craven Hullavington Sprints. As well as those competing we had people helping at both. A special mention for Ralph and Spence who marshaled both events.

Keith Yeandel was on post at Combe and Cherry Robinson at Hullavington. At Hullavington myself and Nick Wood helped with running the startline and Bob Hart and Dick Craddy acted as Club Steward and MSA Steward respectively. Both events were very enjoyable. Well done to all those competing or helping.

I am looking forward to the visit of Mike Costin for our 20th of April Club Night. We are very lucky to have the Cosworth founder come to us for a talk and if our recent guest speaker evenings are anything to go by we should have a good attendance. Members are encouraged to arrive from 7.30pm to enjoy a drink in the sports bar before the start of the talk at 8pm.

In the short term, we have an excellent event to look forward to on Sunday the 26th of April when our Production Car Trial will be held at Dundry - thanks once again to Duncan Pittaway for use of the venue. For just £10 you can have a great afternoons motorsport, and any road car is suitable. Everyone who has entered in the past couple of years has come back for more - why not join them this year ?

The Grand Prix season seems to start earlier every year and, by the time Backfire arrives with you, we will have already had two races. We have again had a good response to the club Fantasy F1 contest, which should add a bit of extra fun to proceedings. The full list of entries and first results are later in Backfire.

As we go to press entries are coming in at a decent rate for our Sprint at Llandow on Saturday May 9th. This will be the only sprint event at the circuit in May. If you are not competing please consider coming to marshal – **we really do need your help** – as well as an excellent cooked meal at lunchtime, we will refund your Severn bridge toll on production of a receipt. Contact myself on 0117 9041841 or andy@mosssdata.co.uk if you can help.

Looking forward to later in May, we have our first treasure hunt of the year – these are normally a lot of fun and Bob Bull is sure to put on an enjoyable event based on his past efforts. A new May event will be the Wessex Sprint which for the first time will be run at Hullavington Airfield. Entries are coming in at a steady rate and the event is sure to be one not to miss. If you are not competing the only way to get to see the action is to marshal - and we can find a job for you on the day whatever your experience, contact Pete Goodman (pete.1goodman@talktalk.net or 01179 605367) . Event info can be found at <http://www.wessexsprint.org.uk>

As if all of that was not enough on the last day of the May we have the ACE tour. This charity tour is always a lot of fun. The event is aimed at Classic and Sportscars, but there is no minimum age for cars and you will be made very welcome whatever you drive. Last year the day raised money for Prostate Cancer Charities, with £1700 being shared between two charities - the letters published later in Backfire show these charities really appreciate the help received. Having focused on a male orientated charity last year this year the funds raised will be going to breast cancer charity BUST, the Breast-cancer Unit Support Trust.

Finally a reminder that our Castle Combe Track Day is on August the 22nd this year and entry information is now available from the club website, which has all the information you need in a special Castle Combe day section.

Editorial

At last spring appears to have sprung and for the foreseeable future there seems to be some motorsport related activities pretty much every weekend.

March saw my car, with a 112,000 miles on the clock, pass it's MOT... with a long list of advisories so apart from road based events I shall have to miss a few production car trials and autotests while I save up to get the parts to bring my suspension, brakes and exhaust back up to scratch.

Meantime I have become involved with the preservation of a one off 1972 Formula One car built in Chadwell Heath, alongside marshalling duties which this month have taken me to the new solar powered Castle Combe for The Great Western Sprint and to the venue for the forth coming Wessex Sprint, Hullavington.

Looking ahead to [April 20th](#) we will be welcoming the "Cos" in Cosworth in the form of Mike Costin who like the "worth" in Cosworth, Keith Duckworth was an early Lotus employee and has many interesting tales to tell from the heart of the great British motor racing industry which dominated the top table of the sport for the best part of two decades.

On April 26th I look forward to our annual visit to Duncan Pittaway's farm in Dundry where I shall be marshalling on our Cross Trophy production car trial, for me this really has been affordable competitive motoring at it's best; worth a go if you have not been before.

Then in early May on the 9th I'll be off for more marshalling at Llandow Sprint.

Earlier in April I hope to get my annual fix of World Endurance Championship Racing at the Six Hours of Silverstone.

If you are competing, marshalling or simply spectating at any forthcoming events and would like to share your experiences or photographs in Backfire, please do not hesitate to get in touch.

Wishing you all a safe month's motoring.

Mr Tony Joiner
C/o Bristol Pegasus Motor Club

January 2015

Dear Tony

On behalf of the Bristol Urological Institute I would like to thank you and the members of Bristol Pegasus Motor Club for your donation of £850 towards the BUI Prostate Cancer Research Appeal. These monies raised will make a significant contribution to our work.

We continue to raise awareness of the importance of developing a national screening programme for prostate cancer, similar to that of Breast Cancer screening, to improve early diagnosis and reduce mortality rates. Our work with robotic surgery will continue to progress as will further research into non-invasive treatments and new drug treatments. Another ambition for the near future is to develop a dedicated Biobank which will help lab based research and quicken the route to patient treatment.

The Bristol Urological Institute could not continue its work without such generous support such as that of the Pegasus Motor Club so please do pass on our most grateful thanks.

With best wishes

Yours sincerely

Mr Tony Joiner

30 December 2014

Dear Mr Joiner

Thank you so much for raising £850.00 with Pegasus Motor Club.

Please pass our thanks to everyone who contributed. In 2013 we received over £300,000 from clubs and groups. Our work is only possible with your support

By 2030 prostate cancer is predicted to become the most common cancer of all in the UK. Yet research into this disease is badly underfunded, leaving tests and treatments trailing behind other common cancers. And the quality and availability of treatment and care can vary depending on where men live.

Our pledge is simple. We will unite to fight prostate cancer with our influence, our knowledge, our time, energy and commitment. The fight won't be easy. But with your support we will help more men survive prostate cancer until the day **all** men do.

Thanks to your support and others like you, we have been able to launch a nationwide campaign this January - **Men United v Prostate Cancer**. Comedian Bill Bailey is fronting Men United for us this year. We hope you have seen it.

We would like to thank you for being part of Men United. You can also help us by getting your colleagues and family to sign up too, and test their knowledge of prostate cancer at www.prostatecanceruk.org/menunited.

Thanks again for everything you are doing to fight against prostate cancer.

Yours sincerely

Pegasus on the Web and Social Media

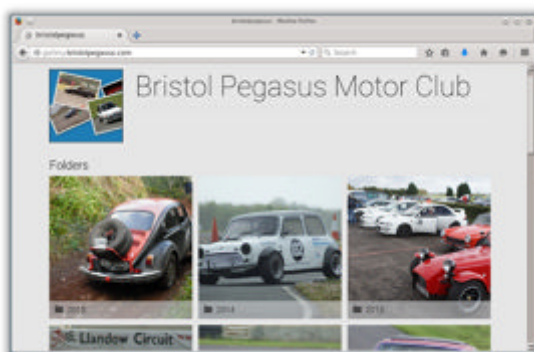

The club has a number of useful resources on the internet

Club Website – www.bristolpegasus.com

The club website is the place to go for information on forthcoming events, join or renew your membership or look up information about club officials and the club itself. Online entry is available for our major events, as well as for competitions such as our Fantasy F1. Results from events are published here along with information on events we have been invited to by other clubs. You can read past copies of the club Backfire magazine and there are also publications such as guides to getting started in different motorsport events. Links to the other club internet resources, as well as links to other interesting websites can also be found here.

Club Photo Gallery – gallery.bristolpegasus.com

Here you will find lots of photos from past club events, as well as other events that members have attended or entered. There are hundreds of photos and this is an ideal place to get a feel for the sort of events you can enjoy as a Pegasus member.

Club Facebook Page – bristolpegasus.com/facebook

Our facebook page contains major news and information about the club. As well as giving the club a presence on this popular site it allows members to follow this page on facebook so updates appear automatically on their facebook feed. All the posts on this page come from the club itself and typically will include things such as a new Backfire magazine being available or

entry forms for a major event being made available. You do not need to be a facebook member to read the contents of this page, but will need to join facebook to automatically receive updates.

Club Facebook Group - [bristolpegasus.com/facebook-group](https://www.facebook.com/bristolpegasus.com/facebook-group)

The Pegasus facebook group is a place where members can post and discuss their motoring and motorsport activities. Similar to a forum the facebook setup makes it easy to post pictures as well as text, and makes it easy for people to comment on what has been posted. You have to be a facebook member to join the group, but this is free to join. If you are not a fan of facebook you can set up a very basic profile without the need to reveal more online than your name – and if you don't want to do that you can always sign up under an alias. Despite being quite a new

facebook group we already have a good number of members and there are a lot of interesting posts.

Club Twitter Feed - [bristolpegasus.com/twitter](https://twitter.com/bristolpegasus.com/twitter)

If you just want the most important announcements sent to you automatically you can follow the club on twitter. You will receive a message when important things like event entry forms are released or when the latest club magazine is available. If you are a regular twitter user and wish to mention the club in your own twitter messages don't forget to include

@BristolPegasus in your tweet. You need to be a twitter member to get automatic updates sent to you on your PC or phone, but if you just want to read past messages from the club you can simply point your web browser at the address above.

E-Mail Lists

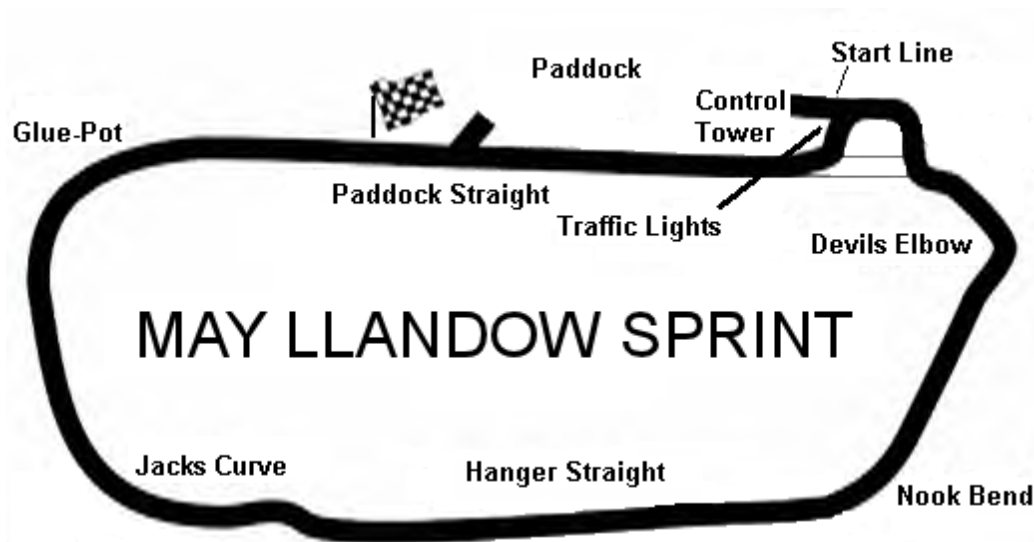

If you wish to be the first receive a mail when entry forms are available for our Sprint Events or Castle Combe Track Day we can add you to our e-mail lists. Mail enquiries@bristolpegasus.com and let us know which events interest you.

Club Night Venue

Our regular venue is -

BAWA Leisure Centre

589 Southmead Road, Filton, Bristol, BS34 7RG

We normally meet in **Room 7** or **Room 4**. Room 7 has excellent views of the sports field as well as parking visible from within the room. Room 4 is slightly larger and can accommodate more people. Most meetings start at 8.30pm, although our AGM and guest speaker nights start a little earlier at 8pm. **Check Backfire for details each month.**

There is a public bar area next to our room so members arriving early may enjoy a drink and a chat before the formal club night proceedings start. During our summer meetings we are able to open the doors to our room and have direct access into the car park

As many members will know we recently returned to BAWA which was our regular club meeting venue for many years. We are very impressed with the updated room and bar facilities as well as the excellent view and access to our parking area. We are also pleased there will be no issues for non-BAWA members coming to our evening.

**Note : Next BPMC meeting at BAWA is on Monday 20th April
7:30 for 8pm Start ! Meeting will be in Room 7**

Production Car Trial - Sunday 26th April

Pegasus Cross Trophy Production Car Trial - Dundry

Our Production Car Trial is to be held at Lower Grove Farm in Dundry Ref. 5545 6735 on Sunday April 27th. The venue is superb for an event of this type and should offer a challenge for most. Signing on from 12.00 & first car to start at 13.00

So what is a Production Car Trial? Well, simply it's a Trial that you can do in an ordinary road car. Entrants will need a vehicle, a driver and a navigator/bouncer – whose job it will be to jump about in the passenger seat to maintain traction when the going gets a bit slippery. If you don't have a passenger, don't worry – you can always grab a fellow competitor to sit in.

Anyone who has seen a more specialist Trial and gazed on in awe whilst thinking: "how on earth do they get up/across/through something like that?!" may now be thinking "there's no way my car would be suitable". Worried about ground clearance, losing the sump or suspension damage? To put those minds at rest, rather than the often heavily rutted tracks used in Classic Trials, the venue is a grassy field.

If you fancy having a go but are lacking a suitable vehicle, get in touch and we'll try to pair up any would-be bouncers with drivers as far as possible. If you'd like to be involved but can't find a driver (or still have concerns about damaging your pride and joy), you could always come along and marshal! We could also do with someone to help with checking over the cars before the start and also need a club steward. Marshals always welcome (in fact essential)

For further details and an entry form visit the club website or contact Event Secretary - Tim Murray 0117 9499449, secretary@bristolpegasus.com

A brilliant fun afternoon with your ordinary road car - Any car is suitable
