Chairman's Chat

By Andy Moss

As another year of club events comes to an end I have been spending time preparing both my review of our activities for the AGM and looking through photos of our various events. Once again it is great to look back at what we have been up to and the photos in particular are a great record of another excellent year of club activities.

As well as the established events, the highlight of the year had to be the return of an Airfield Sprint to the club calendar, with the inaugural running of the Hullavington Wessex Sprint. With access to the venue not being confirmed until a very late stage, a lot of people in the club pulled together to help prepare the venue and organise an event at short notice – a real team effort. The good news is that we return again next year and with more time to organise things, I am looking forward to 2016 which I am sure will be even better.

We can of course only run these events thanks to the massive amount of work put in by many people. The number of people who scored points in our marshals championship is a reflection of this, but it was perhaps at the Pegasus Sprint where we had around 50 people give their time to run the event that we got to see how lucky we are to have so many people willing to support the clubs activities.

At the AGM Cherry Robinson will be standing down from the committee. Cherry completes her second stint on the committee. Our thanks go to Cherry - I am sure she will still be a regular attendee at events during 2016. We are lucky that all the other committee members are standing again in 2016, but we could still do with some more help - see the November Backfire for a list of things you can get involved with.

I had a couple of excellent days in November. The first was the visit to the NEC Classic Car Show which was again a very impressive show, even after some serious walking I am sure I did not see it all. At the end of the month myself and Richard Reynolds entered the Allen Trial in the Marlin – an excellent event including some new sections this year, which were very good. We made it to the end of the event and had a lot of fun along the way, despite some rotten weather. The lunch time stop at Chew Valley Lake was interesting with the wind creating waves on the water which made it resemble the sea rather than a lake.

The club AGM is next, and as well as the formal business we are looking forward to a good social and a free buffet at BAWA. For the first time in many years we will be running a competitive event between Christmas and the new year, although we intend things to be fun rather than it getting too serious. The driving tests at the old Aust Services will be followed by a social at the White Hart at Littleton, come along for a chat from around 5pm or come and watch the autotest if you are not entering.

Finally it just remains to wish all club members and their families a great Christmas and a happy new year.

Editorial

Suddenly it's December and all the anticipation of for 2015 is nearly over and it's time to take a deep breath and reflect on a few high lights of another fabulous year being a member of the Bristol Pegasus motor club.

The year kicked off in Wales where Joe Trott and James Robinson won the January Nav Ex organised by Dick Craddy in their 1971 Rover powered Mk III Cortina, in February it was time to take the helm of a minibus for a club trip to Race Retro where Chevron were celebrating their 50th Anniversary.

In March some club members made the first of two trips to Hullavington Airfield where it was great to see Sprinting return after many years absence, unfortunately I had to miss the Cross Trophy in April which received a healthy entry and my first run on the excellent ACE Classic Tour was similarly disrupted.

Redhill Village Hall saw one of the funniest moments of the year when 10 of us piled into Duncan Pittaway's Land Rover and directed a blindfolded Nick Woods, who was at the wheel, around a field full of cones from the back seat.

Duncan's stupendous 1912 Fiat S76 starred in June and July on the hills at Goodwood and Chateau Impney, in August the sun came out for our trackday at Castle Combe where it was difficult to find anyone without a smile on their face.

In September I had great fun with my Golf Mk IV estate in the Rolls Royce car park at Patchway taking part in the Crumpled Cup Autosolo won by Chris Buckley in his supercharged MX5.

Then it was off to Castle Combe for the Autumn Classic where we had an interesting selection of cars on display including a Cummins turbo diesel powered recreation of the Napier Railton Brooklands lap record holder and Xavier Kingsland won the BACMSC Trophy Challenge Race for 500 Formula 3 cars in his Staride.

Add in a some great talks by Castle Combes Les Rawlins, Cosworth's Mike Costin and RAC Rally Winner Paul White, a couple of Treasure Hunts one organised by Bob Bull and the other by myself and Tim Murray and I think you will agree my £10 membership fee has been money well spent.

None of this would have happened without the sterling efforts of my fellow committee members who were backed up by a small army of volunteers made up of fellow club members all contributing to the bigger picture, my thanks to you all, competitors, marshals and organisers alike and my sincere wishes that you will all join in our activities again next year to make it another one to be well remembered.

Some of our longstanding committee members will be taking a well earned rest after the AGM and I look forward to working with those who will take their place.

Seasons greetings and best wishes for a safe month's motoring.
