Chairman's Chat

By Andy Moss

June got off to an excellent start when the Club teamed up with the ACE group for our annual Classic Tour. The event had a good entry of around 35 cars - any more and we would have struggled to accommodate them at the lunchtime stop and the

finish pub. As well as those returning year after year, there always seems to be a few new entrants every year, and the number of club members taking part seems to have steadily increased in recent years. We were very lucky to have good weather, with the event taking place on one of the sunniest days of the year.

The 86 mile route started at BAWA, and this year headed to Wiltshire, with a lunchtime stop at the impressive Caen Hill Locks on the Kennet and Avon canal. Here a total of 29 locks raise the canal some 237 feet over a distance of two miles. As well as the picnic area we made use of on the side of the canal, there is a nice Cafe - well worth a visit if you are in the area. We spoke to a couple of canal boaters who told us it would take them all day

to navigate the flight. The event finished at the Beaufort Arms in Hawkesbury Upton, where as always there was a fundraising raffle and presentation of an award for the "runners choice" to the best car of the day as voted for by the entrants.

As always the Tour raises money for local charities - this year it was supporting Prostate cancer charities. Initial indications are that the event has raised well over £1100. The amount raised so far will be increased further with money raised from a static display of cars at Rolls-Royce on Thursday the 17th of July - get in touch if you have an interesting car you would like to take. A massive thanks to all involved in organising the event.

On the evening of Monday the 9th our June Club Night ventured south of Bristol, for our Bring your Car night. Nick Wood did an excellent job of organising a new venue for us at the excellent Redhill Village Hall.

As well as ample space for the display of cars we had enough room to run some fun driving tests,

and also had a Barbecue. As with any new venue it is always a little worrying if the evening will be well supported, especially as we were on the other side of Bristol to where most of our club nights are held. There was however no need to worry, as thanks to Nick's efforts we had a superb turnout of cars, and an excellent time was had by all.

The photos later in Backfire give a flavour of the number and variety of cars that attended. Everyone also seemed to enjoy the driving tests which, whilst not too serious, did add a bit of movement to what would otherwise have been a static event.

Thanks to Chris Thompson and Tim Murray for organising the fun round the cones. I hope this is a venue we will visit again, well worth the trip "south of the river".

Looking forward to next month we have Ralph's Sunday morning Treasure Hunt. The Sunday event last year was a lot of fun, so make sure you come along if you possibly can. Our August event will be another opportunity to get out and about in your car, when we are having a short evening touring assembly organised by Martin Emsley. Next a mention for our visit to Combe on August the 30th. As well as our popular Track Day we will have a car show this year, so this is one not to miss. Around two thirds of the track day places are already sold, so get your entry in as soon as possible - we often see people miss out in the last minute rush for places.

This month we have also had a Pegasus Sprint planning meeting. Things are coming together nicely with all the main officials in place for the meeting. Regs will be issued in early August, and club members will be the first to know when they are available. Some of our invited championships have had very good entries at events this year, so make sure you enter early.

Next, an update on my own motoring activities. As some of you will know I have owned a Rover P6 since the late 80's, unfortunately it has not seen much use over the last couple of years, so I decided it was time to get it out of hibernation. Having fitted a new battery, it is now running and seems to move and stop under its own steam with no issues.

There is little sign of any major problems from its time in the garage, so an M.O.T is booked and, fingers crossed, I will be able to get it out to a few events in the late summer and early Autumn. I would like to be able to bring it along to the Combe Classic meeting in October where we will have a club a stand.

Finally, this month Pete Stowe has taken a picture of the award we will be presenting for the 500 race at the Castle Combe Classic Meeting in October.

As well as receiving this rather fine Pegasus Trophy to keep, the winner of the race will be presented with the historic BACMSA Challenge Trophy which will be retained by the club.

Editorial

It's been another great month for motoring entertainment which included our annual car meet organised by Nick Wood at Redhill Village Hall.

The turnout included a 1920's Rolls Royce, a Cobra Daytona type Factory Five and a couple of monster trucks for good measure. Chris Thompson devised a slalom course for us to navigate with spice added by mandating that drivers be blindfolded and guided by their sighted co drivers.

Driving blindfolded under instruction from Ian was engaging, guiding Nick Wood around in the aforementioned Factory Five was enlightening, but it was the sight of Scott Grey being directed round the course by his partner at the wheel of his Toyota Pickup with it's 36 inch tyres, that proved to be the highlight of the evening.

Congratulations to Alan Spencer for winning the event, in a borrowed SAAB, and to everyone involved in the organisation and running of the event which I hope has now found a regular home.

This month I also spent a day at Goodwood Festival of Speed with three fellow BPMC members and congratulations are in order to our very own Duncan Pittaway for the superb presentation of his herculean FIAT S76 which I understand cost him a nights sleep or two in the run up to Goodwood.

Looking forward to next month I shall making my debut as a Treasure Hunt organiser, and I hope to see you all at 10 am for a 10:30 am start on the Cribbs Causeway service road, ffi Forthcoming events in this issue. There will be an additional prize for the vehicle / crew who best capture the spirit of the event, as voted for by those taking part.

Wishing you a safe and pleasurable months motoring.

Monday 8th September Evening Visit Bloodhound Land Speed Record Car Avonmouth Bristol HQ Visit

Bloodhound SSC is the latest attempt on the World Land Speed Record and is targeting 1000mph! This groundbreaking project, headed up by the existing record holders, Richard Noble and Andy Green, is being designed and built in Bristol. We have arranged a visit to the recently opened facility in Avonmouth where the car is being designed and built.

Our visit will include a presentation about the project to date, including the engineering challenges of designing a car that can achieve 1000mph. We will also have the chance to see the car being built.

The visit will take place on our normal Club Night slot in September. The invitation is open to any club member, including family and friends and will cost just £10 per head which will all go towards the project. Places are limited to 50 and will be on a

first come first served basis. To reserve your place please contact Andy Moss on 0117 9041841 or email: andy@mossdata.co.uk

Results After Austrian Grand Prix

We have a nice spread of scores following the Austrian Grand Prix. Mark Elvin continues to be at the top of the table thanks to the continuing form of Mercedes and Williams, closely followed by Mike Marsden who needs Massa to do better than Bottas. Tim Murray overtakes Nick Wood thanks to some good performances by Williams.
